County, State Roads in Brimfield Township

January roared in with an arctic blast of cold and snowy weather! Our snow plow crews have been busy keeping our township roads plowed and salted. Below is a list of roads that Brimfield Township DOES NOT plow or salt as they are state or county roads or private developments. Should you have complaints, compliments, or questions regarding the salting, plowing, or other maintenance for these roads, please contact Portage County at 330-296-6411, or your Homeowners Association. Again, the list of roads below are roads Brimfield Township does not plow, salt, or otherwise maintain:

STATE:

- State Route 43

- Interstate 76

COUNTY:

- Mogadore Road
- Old Forge Road
- Ranfield Road
- Sandy Lake Road

Winter Parking Ban

Brimfield Township has implemented a no parking ban on streets during winter weather in order for snow plows and salt trucks to clear the roads. Please be advised that if your vehicle is parked on the street, it will be towed.

This is not in effect for just the day of inclement weather but for the season. Road crews often make a “first pass” on streets and then return later to plow or salt again. Having vehicles parked on the street make that difficult if not impossible and is a safety issue as well.

Street Light Out?

Call Us!

If you notice a street light flickering or unlit, please report the issue to the Brimfield Township Administrative Office at 330-678-0739. If it is after 4 pm or on weekends, please leave a message so the issue can be reported as soon as possible.

Ohio Edison tells us it can take up to 5 days for the streetlight to be repaired, depending on the severity of the issue.

Parks and Recreation Rentals Available

It’s never too early to plan for spring! Brimfield Township Parks and Recreation Department is reminding residents to reserve their rentals as soon as possible for 2015.

The rentals available and prices are listed under Parks and Recreation on the Brimfield Township’s website, www.brimfielddohio.gov.

In addition to baseball, soccer, softball fields, sand volleyball courts, open-air pavilions, the Town Center Gazebo, enclosed Shelter House, we also offer the Conference Room at the Administration Office Building for rent.

For more information, please contact Brimfield Township Administration Office at 330-678-0739.

February Township Trustee Meetings

The Brimfield Township Trustees have scheduled their 2 meetings for the month of February:

February 3, 2015: 6:00 pm—Conference Room Administration Building

February 18, 2015: 3:00 p.m.—Conference Room Administration Building

All our welcome!

SLED RIDING HILL OPEN

We all would like to think that spring is just around the corner, but until it arrives, Brimfield residents have an opportunity to take advantage of the sled riding hill that is now open at Cranberry Creek on Lynn Road. Parking is available. Bundle up and enjoy the ride!

Happy Valentine's Day

Love is in the Air

Just a reminder that Valentine's Day, Saturday, February 14, is fast approaching! Don't forget to remember that special someone in your life! If you don't have someone "special", just remember, YOU are special...and it's a great day to treat yourself to something chocolate! Happy Valentine's Day!

Brimfield Township Administration Office Closed for President's Day

The Brimfield Township Administration Offices are closed in honor of President's Day, Monday, February 16, 2015.
